

The Uncommon Friends Foundation has Florida Prepaid College 2 year scholarships to award to high school freshmen, sophomores and juniors in 2017. These are wonderful scholarships for deserving students that might not otherwise have the opportunity to start their college education. Please visit our website www.uncommonfriends.org under the “scholarship” link for information and nomination/application forms for these and other scholarship opportunities.

Florida Prepaid College Tuition Scholarship

Uncommon Friends Foundation and Florida Prepaid College Foundation STARS program cooperate to provide a two-year scholarship for state college tuition and fees to select freshman and sophomore high school students who contract to succeed in high school, stay free of drugs and crime, and fulfill other scholarship conditions.
