

# Oasis Athletics: "Fin-tastic" News!

November 2017

## Who We Are...

Originated in 2009, the Oasis High School Athletic Department was developed to fulfill the athletic desires of the Cape Coral Charter School students. Despite the size of the high school, the athletic program joined the FHSAA during the 2009-2010 school year with **eleven sports**. Within the year, Oasis played its first football game, and to complement our department and ignite the school spirit, the cheerleading squad was formed to bring us to where we are today with **thirteen sports** offered by the Charter School System.

Today, the Oasis Athletic Department holds two FHSAA District championships (2014 Volleyball & 2016 Girls Soccer) and one FCAPPS Regional title (2015 Football) in its very young history. It is also a proud recipient of a 2014 Fred E. Roszell Sportsmanship award from the FHSAA for its students' exemplary behavior on and off the field of play.

## Message from the Athletic Director – Brian Montag

It is an exciting time to be a Shark! Our two-day holiday Boys Basketball tournament gained some attention as our first over-seas team participated which made for a very exciting championship round, we have officially announced our return to 11-man football in the fall of 2017 and return to the FHSAA state series, and our girls soccer team won the school's second FHSAA District Championship!

This is just a small example of the excellence our athletics have accomplished all year long. There are many more great events coming our way and we invite you to come out and be part of the excitement and witness Oasis history in the making.

Be on the lookout for this quarterly newsletter to bring you up to speed on everything you need to know about Oasis Athletics

Game schedules for our winter sports can be found on our Athletic website.

### VOLUNTEER OPPORTUNITIES

Volunteer opportunities to match those games schedules are now available! Please visit the website at <http://www.oasishighschool.net/athletic-department-volunteers> to explore those opportunities. **Volunteer hours will no longer be granted for attending athletic events.** Our Athletic Department needs the help of our parents and student-body to continue its success. Please check the website often as new opportunities can be posted weekly.

**Season Passes** will be available online and through your student-athlete.

## Becoming a Student-Athlete

- Every student wishing to compete for Oasis High School **MUST** submit a valid FHSAA Physical (EL2) and Waiver (EL3) on file with the Athletic Department before starting **ANY** activity. These documents are valid for 365 days from completion and are not finalized without a parent/guardian and student signature on all pages.
  - **Florida Department of Health forms cannot be accepted.**
- The student **MUST** be covered under their family's health insurance plan. If a family does not have health insurance for their student, they can purchase insurance from [Healthy Kids](#), a Florida KidCare partner.
- Students and their parents can find copies of the required FHSAA forms at <http://oasishighschool.net/fhsaa>.
- Students with as little as one signature missing will be held from any and all activities until the issue has been resolved.
