USCIS Civics Flash Cards

These Civics Flash Cards will help immigrants learn about U.S. history and government while preparing for the naturalization test. These flash cards can also be used in the classroom as an instructional tool for citizenship preparation.

IMPORTANT NOTE: On the naturalization test, some answers may change because of elections or appointments. Applicants must be aware of the most current answers to these questions. Applicants must answer these questions with the name of the official who is serving at the time of his or her eligibility interview with USCIS. The USCIS Officer will not accept an incorrect answer.

USCIS Civics Flash Cards

The 100 civics (history and government) questions and answers for the naturalization test are included in these flash cards. The civics test is an oral test and the USCIS Officer will ask the applicant up to 10 of the 100 civics questions. An applicant must answer 6 out of 10 questions correctly to pass the civics portion of the naturalization test.

Although USCIS is aware that there may be additional correct answers to the 100 civics questions, applicants are encouraged to respond to the civics questions using the answers provided on these flash cards.

If you are 65 years old or older and have been a legal permanent resident of the United States for 20 or more years, you may study just the questions that have been marked with an asterisk (*).
