"QUICK CARE QUEUE™"

Morning Walk-in Appointments for Onsite Sick Visits

Please note: not for physicals, prescription refills or non-sick visits

Morning Walk-in Appointment Schedule

Monday, Tuesday, Thursday, Friday: 8am–12pm | Wednesday: 10am–2pm

1 Patients will call dedicated phone line to schedule a Quick Care Queue appointment.

2 A staff member will provide an appointment arrival time to the patient.

3 Patients will arrive to the Health Center at designated arrival time, park in a Quick Care Queue parking spot, and virtually check-in by calling provided phone number.

4 A staff member will greet the patient in vehicle and perform initial assessment.

5 If the patient needs additional care, visit will continue inside the Health Center.

6 Upon conclusion of visit, the patient will be dispensed medications if appropriate.

Please be reminded that the My Health Onsite Health and Wellness Centers are not equipped nor staffed as an emergency room. Any sudden onset symptoms suggestive of a potentially life-threatening situation (shortness of breath, chest pain, fainting, etc.) should be immediately evaluated in an urgent care setting, hospital emergency room or by calling 911.
