

Oasis High School

Update – August 7, 2020

Hello Shark Families!

There is A LOT of information in this update. So, please read carefully and mark your calendars!

Important Dates

August 17th and 18th – Dual Enrollment (FSW) textbook distribution @ OHS, 9am – 11am

August 24th – Student schedules visible in Focus*. (There will be an online schedule change request process; the link will be available on 8/24.)

August 24th – OHS Virtual Student Chromebook drive-through pick-up @ OHS , 9am – 12pm

August 25th - OHS Virtual Student Chromebook drive-through pick-up @ OHS , 4pm - 6pm

August 26th – OHS Virtual Open House, 3pm (these are pre-recorded teacher video introductions that will be accessible until the first day of school)

August 31st – Students' first day of school! OHS will still be conducting temperature checks of all students prior to campus entry. Students should be in dress code on the first day of school (at home or on campus).

***Logging into Focus**

- Your student's instructional model (face-to-face or virtual) is now viewable in Focus. Please log in to make sure the correct model is listed. Focus is also where students' schedules will be viewable on August 24th.
- Directions for logging in: Go to the Focus login page <https://lee.focusschoolsoftware.com/focus/index.php>. Click on the link that applies to you under 'Attention Parents'. If you are creating an account, you will need your student's Student ID # and their Date of Birth. Please do not use the social security number option as most schools do not enter that information into FOCUS. Once you have that information, click 'Create Account' and enter the required information. Once this step is completed, choose 'Add a Child' and enter your student's Student ID # and Date of Birth. Your student should appear on the next screen. Click 'Finished' and you will be taken to the Portal. *When your registration has been approved* your student's information will appear on the Home page/Portal. When the schedules become available, your student's schedule will be in the 'Grades' tab.

Virtual Student Expectations (including dress code)

The OHS Virtual model is available to provide an at-home option for our families. Please understand this is NOT the same protocol as virtual instruction last quarter of last year. In order to make available the most effective learning experience for all students, the at-home student should follow all the procedures and requirements as if they were at school. In other words, you are sitting in your own home, but as much as is possible, consider yourself sitting in the classroom.

Virtual Instruction Expectations

- Students must be sitting at their computer viewable by teacher when class begins.
- Students must remain visible for the entire period unless otherwise indicated by the teacher.
- If a student needs to leave the “classroom” for any reason, he/she should notify the teacher via the chat function and return in a reasonable amount of time. Students should use “passing time” between class periods for personal breaks.
- **OHS virtual students should follow the dress code so that students are in the mindset to learn.**
- Students that are inappropriately dressed will be removed from the class.

The future of instruction and adult careers are going to be increasingly on-line. Disciplines formed now for on-line study/work will be one of the most important components for future success. Those who learn to navigate those challenges successfully will be the leaders in our tech-structured future.

**Uniforms / Dress Code**

The link to our updated dress code and approved vendor (who now has gaiters and masks!!) is: <https://tinyurl.com/yxe93bkn>

Please allow time for orders to be processed and delivered to school for pickup (2 weeks recommended).

A Special Note of Thanks

Thank you to the OHS faculty who have already participated in numerous online and in-person meetings over the summer. And thank you to the OHS parents for your patience and understanding as we prepare for the upcoming year. We are looking forward to seeing your students' faces and hearing their voices, in person or virtual. I am grateful to work with such a great team 😊 Dr. Britton
