Dear Parent or Guardian:

Your 12th and/or 11th grade student will be offered the opportunity to take the School Day ACT on Mar 24-English, March 25-Math and/or March 26-Reading in school at no cost to students. This version of the ACT provides students with additional testing time and may help your student meet the Florida Standards Assessment English Language Arts (ELA) or Algebra 1 graduation requirement.

Please be aware that scores on this ACT test are **not college reportable**, but will serve only to provide an indicator of academic performance in reading and math in hopes that it will assist students with one more opportunity to meet the ELA graduation requirement mentioned above.

The District is happy to provide the non-reportable ACT test and encourages your child to visit <https://www.act.org/content/act/en/products-and-services/the-act/test-preparation/free-act-test-prep.html> for more information, including practice tests and sample questions.

Note that if your student desires to take the ACT **for college entrance purposes**, he/she would need to register for the test with ACT at the link below for one of the Saturday test dates this spring;

Thank you,
Jackie Corey
Principal

If you do not wish for your student to participate in this opportunity, please sign and return the slip below to Mrs. Long by March 6. If you have any questions, please reach out to Mrs. Long 239-541-1167.

I would not like my student to participate in the ACT NCR School Day on March 24-26, 2026. **(Return by March 6)**
