

Dear Oasis High School Parents/Guardians,

It is my pleasure to invite you to attend the graduation ceremony for the Class of 2021. We are proud of the achievements of the students among this class and will honor them together and as individuals on Friday, June 4, 2021, at 7:00pm at the FGCU Alico Arena. FGCU will have *limited seating*; all other seating will be blocked off.

The past four years at Oasis High School have gone by quickly. We wish to celebrate this milestone in a dignified and respectful manner. The graduation ceremony is a solemn event that marks an important rite of passage in our students' young lives and as such students, as well as community members, must act in accordance to policies and procedures set forth by our district and school establishment.

It is important that all friends and relatives of our graduates share equally in this special experience. To give everyone the courtesy of hearing their graduates name we ask guests to hold their applause until all students have had the opportunity to be recognized. Please do not bring excess noise makers, such as air horns, as this noise disrupts the sound quality of the school's filming and livestreaming equipment. Please be courteous so all graduates are properly acknowledged, and the ceremony is properly recorded. Balloons, large arrangements, and signs are not permitted. FGCU security will confiscate such items at the door.

In order to be given a cap and gown and participate in the graduation ceremony, all prospective graduates are required to complete a senior check list to ensure they have met all requirements. This checklist, the graduation contract, an itinerary for days prior to graduation and other senior specific obligations can be found in detail within the attached packet. *In order to walk in the graduation ceremony and receive a diploma, students must have met all graduation requirements.*

Please be reminded of the following graduation related events:

- Seniors are invited to attend the Senior Awards Ceremony, held at 6:00pm on Wednesday, May 19th, at the Oasis High School gym. Students and guests (limit 2) must RSVP.
- Attendance at senior breakfast, graduation practice, and the parade of graduates is **mandatory**, and is held on Wednesday, May 19th, at 8am in the OHS gymnasium.
- Dress requirements, social etiquette, and all components of the student code of conduct will be fully enforced at all subsequent ceremonies and events.

To Our Graduating Seniors,

Every graduating student deserves the same recognition. All families deserve the pleasure of hearing their graduates' name read in the presence of all attending. Your consideration for all those attending graduation is appreciated.

To maintain a professional and dignified atmosphere, you should not be disruptive during graduation. The ceremony, even though already a long event, will be stopped whenever a disruption occurs. **As this is a student activity, the code of conduct remains in full effect. Students whose behavior infringes on the enjoyment of others will be removed from the ceremony and will not receive their diplomas until after graduation.** We

hope these measures will not be necessary and that our graduates will conduct themselves in a manner that will make their families proud.
